FOR IMMEDIATE RELEASE

**Recruitment Firm teams up with Darryl Sittler to Benefit Local Charities**

The employees of CNC Global's Canadian head office held their 12<sup>th</sup> Annual Charity Auction Friday, November 15, 2002. Highlights of the event included guest speaker and former Maple Leafs Captain Darryl Sittler and a few words from Toronto Star financial columnist Ellen Roseman.

Last year the Charity Auction raised over \$80,000 for a variety of local charities. This year the auction will benefit Family Service Association of Toronto, Canadian Cystic Fibrosis Foundation, Big Brothers and Big Sisters of Toronto and the STOP Community Food Centre. All charities chosen have a direct impact on the development and well being of children and on the local Toronto community. Each year, selection of charities to benefit is lead by a CNC Global employee committee.

With the support of "Go Kids Go! Leafs Fund," CNC Global once again scored the generous participation of veteran Leaf Captain Darryl Sittler. The Go Kids Go! Leafs Fund has been an ongoing supporter of CNC Global's Charity Auction, arranging for Sittler's participation in 2000, and Rick Vaive's participation in 2001. Among the first items auctioned were two hockey sticks signed by Maple Leafs alumni, including Mr. Sittler. The autographed hockey sticks fetched a total of \$4,400 for the charity beneficiaries and Mr. Sittler personally handed them over to the successful bidders.

Family Service Association of Toronto thanks CNC Global for their generous financial support and ongoing social responsibility. This donation will help Family Service Association of Toronto provide counselling and community development programs for people struggling to cope with everything from depression to family violence; sexual orientation issues to marital problems; job loss to settlement in a new country; and from developmental disabilities to the challenges of growing older.

CNC Global has been helping employers of technology talent develop and implement high-impact recruitment strategies since 1981. The company focuses on the sourcing and management of contract consultants, the recruitment of technology professionals for permanent positions, as well as recruitment advertising and HR communications. CNC Global relies on a unique partnership approach with clients and draws upon “best-of-breed” staffing solutions such as vendor management and a unique Virtual Bench® product to improve candidate quality, accelerate recruitment initiatives, streamline processes and contain administrative costs. CNC Global is headquartered in Toronto.

Family Service Association of Toronto is a leading nonprofit social service provider and a United Way member agency. For more than 80 years, the association has been helping families and individuals in the greater Toronto area through counseling and community development programs. More information about Family Service Association of Toronto is available at [www.fsatoronto.com](http://www.fsatoronto.com).
